Social mission

In accordance with the wishes of Dominique Pire, its founder, Islands of Peace is pluralistic and open to all beliefs, philosophical, and political. The focus is primarily on responsible cooperation, wanting to act more as a catalyst than as a provider of aid. The association has no complete solutions but invites people it wants to help, to choose between different options to be able to make decisions based on their own convictions.

This organisation communicates in French. Please consult the [information in French](#) to learn more.
