Project info

Make-A-Wish foundation was created in the U.S. in 1980. At present, it exists in 38 countries on 5 continents. Its mission is to help children between the ages of 3 and 18 who are affected by serious illness to materialize a wish. The idea is to offer to both the children and their families an unforgettable moment of happiness in spite of all their worries, hardships and grief. Make-A-Wish sees to it that the whole family is associated to the event and that the wish will materialize in a festive atmosphere.
