Project info

Mission

CAW Brussel offers, as a centre for social well-being, differentiated services and assistance in the Brussels-Capital Region. They help to promote social integration and participation, and to reinforce the social well-being.

By offering an approachable access they try to reach every person whose chances are threatened or diminished, as a result of personal, relational, family related or social factors. CAW uses a community-orientated approach based on a pluralistic vision to give people the chance to get back on their feet in their own environment.

This organisation communicates in Dutch. Please consult the [information in Dutch](#) to learn more.
